

# HEARST IS BARRED BY BRITISH BUREAU FROM USING CABLES

This Action Cuts Off Service  
From Abroad Because of  
"Continued Garbling."

LONDON, Oct. 11.—Because of  
intended "garbling of messages and  
reach of faith," Hearst's Interna-  
tional News Service has been de-  
barred from the Press Bureau and  
from the use of "all other facilities  
for the transmission of news," which  
includes cables and mails controlled  
by the British Government.

In an official statement issued by  
the Press Bureau last night, specific  
instances of publication of "various  
false statements" purporting to come  
from London "by International News  
Service" were cited. These concerned  
a raid on London.

Following is the text of the Press  
bureau announcement:

"In the House of Commons on June  
7 last the Secretary of State for the  
Home Department stated that his at-  
tention had been drawn to an alleged  
telegram relating to the Jutland bat-  
tle, which appeared in certain Amer-  
ican newspapers as having been sent

## Mother-Made, Quick Acting Cough Syrup

Should Be Kept Handy in Every  
Home—Easily Prepared and  
Costs Little.

Mothers, you'll never know what you  
are missing until you make up this in-  
expensive, quick-acting cough syrup and  
try it. Children love its pleasant taste  
and nothing else will loosen a cough or  
test cold and heal the inflamed and  
violet throat membranes with such  
ease and promptness. It's equally as  
good for grown-ups as for children.

This splendid cough syrup is made by  
syruping 2½ ounces of Pinex (50 cents  
only) into a pint bottle and filling the  
bottle with plain granulated sugar  
syrup. This gives you a full pint—a  
mighty supply—of much better cough  
medicine than you could buy ready-made  
for \$2.50—a clear saving of \$2.

Hoarseness and ordinary coughs are  
quenched by it in 24 hours or less.  
Pinex is a highly concentrated com-  
pound of genuine Norway pine extract,  
combined with guaiacol, and is famous  
in world over for its quick healing  
effect on the membranes.

Beware of substitutes. Ask your  
neighbor for "2½ ounces of Pinex" with  
reactions and don't accept anything  
else. Guaranteed to give absolute satis-  
faction or money refunded. The Pinex  
Co., Ft. Wayne, Ind.—Adv.

the wardrobe of the well dressed

All styles carried at our 6th Ave. at 20th Street Store—also  
sold at our NEWARK BRANCH—645-649 Broad St.

from London by a correspondent of  
the International News Service. No  
such message was included in any  
telegram sent from this country.

"The Home Secretary referred on  
the same occasion to previous cases  
wherein messages which purported to  
come from the London correspondent  
of the International News Service  
bore no likeness to the cablegrams  
actually dispatched.

"On the first occasion referred to  
the manager of the International  
News in New York gave categorical  
assurance that such an incident  
should not happen again. On the sec-  
ond occasion he made a like propo-  
sition, stating that orders had been  
given that extraneous statements  
should not be inserted in cable dis-  
patches.

"On Sept. 3 cablegrams were pub-  
lished in the United States purporting  
to have come from London 'by Inter-  
national News Service,' giving vari-  
ous false statements about the air  
raid the previous night. None of  
these statements in question was in  
fact contained in any cablegram  
despatched by the London correspon-  
dent of the International News Service.

"In view of this continued garbling  
of messages and breach of faith on  
the part of the International News  
Service the Secretary of State has  
directed that no representative of the  
International News Service shall be  
permitted to use the official Press  
Bureau, and that that agency shall be  
debarred from the use of all other  
facilities for the transmission of news  
until further notice."

The order of the Bureau appears  
under such headings in the leading  
newspapers as "No British News for  
Hearst," "News Made in America"  
and "American Agency's Garbling of  
Messages."

The Daily Express says: "The  
Daily Express repeatedly has called  
attention to anti-British lies printed  
in American newspapers controlled  
by William H. Hearst—The New York  
American, The Chicago Examiner and  
similar journals. This news is sup-  
plied by the International News Ser-  
vice, which is entirely a Hearst or-  
ganization. These papers will not  
have a line of Hearst 'news' to-day.  
This action follows repeated breaches  
of faith by the Hearst organization.  
One of the latest instances was a  
message in The Chicago Examiner,  
headed 'London in Flames' and pur-  
porting to describe a Zeppelin raid.  
It was never sent from London."

The Times says: "The disciplinary  
measure taken against the Interna-  
tional News Service is a satisfactory  
sign that the Government appreciates  
the importance of dealing drastically  
with lying news agencies. The tone  
of Mr. Hearst's newspapers is strong-  
ly anti-British, but the action of the  
Government has not been inspired  
by any resentment at their opinions.  
It is the consequence of deliberate  
falsification of intelligence, of which  
the International News Service has  
been repeatedly found guilty.

"While we rejoice that our Govern-  
ment has inflicted proper punishment  
upon an unscrupulous news agency,  
we trust that the measures taken will  
not be regarded by the people of this  
country as involving any slur upon  
the character and conscientiousness  
of the United States press as a whole.

The reputation of the great majority  
of American journals for fairness and  
honesty stands above reproach, and  
it has again and again been vindi-  
cated during the war."

The Chronicle says: "The Govern-  
ment has taken a well-justified step  
in depriving the International News  
Service of all telegraphic and mail  
facilities. The reason is not that Mr.  
Hearst's papers are pro-German, but  
that they have repeatedly published  
as coming from this country news  
which did not in fact come from it."

The Globe this afternoon says:  
"For the future the International  
News Service will have no news  
from London and can go on inventing  
lies. We are not likely to be led astray  
by the attitude of the pro-German  
press of America. We know the hon-  
esty and fairness of American jour-  
nals generally. It is true they don't  
see eye to eye with us, but that is  
because they are patriotic."

# MORE TOWNS IN MACEDONIA FALL BEFORE BRITISH

Allies Within Two Miles of  
Seres—Serbians Fight for  
Key to Monastir.

LONDON, Oct. 11.—British troops  
have arrived within two miles of the

Greek city of Seres in their new of-  
fensive against the Bulgars. It was  
officially announced to-day. A Bul-  
garian cavalry detachment operating  
two miles south of Seres was dis-  
persed and driven back.

The British occupied Popolova and  
Prosenik villages. Near Krastall an  
enemy post was raided during the  
night and its occupants dispersed.

The Bulgars are falling back be-  
fore the drive upon the Demirhisar-  
Seres railway, objective of the present  
British advance. Eight villages have  
been captured since British forces  
took the offensive and a comparative-  
ly large number of prisoners have  
been brought in.

Serbian troops are engaged in a  
fierce battle with the Bulgars for pos-  
session of Chuka Height, absolutely

dominating the important town of  
Monastir.

An Athens despatch to-day reported  
that the Serbs captured the village of  
Kosovitch and then pressed on and  
attacked the heights. Capture of this  
strong position will be followed by the  
fall of Monastir, Athens reported.

B. R. T. Station Closed.

The Boerum Place station of the B.  
R. T. at Boerum Place and Fulton  
Street, was closed to-day, when it was  
discovered the station structure was  
weak and likely to collapse. The sta-  
tion will remain closed until late to-  
day, when the company expects to have  
the station way strengthened. Boerum  
Place passengers are compelled to use  
the Myrtle Avenue station, four blocks  
beyond.

Motor Sales President Shoots Him-  
self at 40 Ave.

ALBANY, N. Y., Oct. 11.—Charles  
A. Hart, President of the King Motor  
Sales Company, was found at his  
desk early to-day with a bullet  
wound in his head. On the floor was  
a revolver. He is still alive, but phy-  
sicians said there is little hope for his  
recovery. Associates of Mr. Hart say  
he had been in a quarrel with some  
other motor salesmen in a recent con-  
flict and could hardly be expected to  
be at the office.

# LAZARO

"The Greatest Tenor since Rubini  
—a Greater than Gayarre!"

THE voice that swept whole countries into adora-  
tion. And you can hear it on Columbia Records  
before the great tenor makes his first appearance  
on the opera stage in this country.

In Lazaro, the world is listening to a voice that will  
be recalled in future generations as the great world  
tenor. Not only is there no voice of  
greater power, but there is no tenor  
with such range or control.

12 inch—\$3.00 each

48762 AIDA—CELESTE AIDA. (Radiant Aida).  
48741 LA BOHEME—CHE GELIDA MANINA. (How  
Cold Your Hands).  
48747 L'AFRICANA—O PARADISO! (Oh Paradise on  
Earth).  
48783—I PURITANI—A TE O CARA. (Often, Dearest).

Imagine a tenor voice that shades down to a whisper,  
to an exquisite, scarce-breathed shadow of sound—  
then is carried higher and yet higher; swelling, sustained,  
a mighty organ-note—until the very air seems ringing  
with its power.

Your dealer has Lazaro's records now. Ask him to  
play them—and hear a tenor who has no equal in the  
world.
